As of the Effective Date, except with regard to the Cliff Castle Casino Business Code, enacted as Title 36 of the Yavapai-Apache Nation Tribal Code as amended, this revised Gaming Code, supersedes, repeals, and replaces all prior gaming ordinances, codes, resolutions, and other legislative documents regulating tribal gaming on the Indian Lands of the Nation.

Section 102. Purposes

The purpose of this revised Gaming Code is to make lawful and to regulate the operation and conduct of Gaming Activities on the Indian Lands of the Nation so that revenue may be produced to fund Tribal governmental operations and programs which promote the health, education, and welfare of the Nation and its members and which promote Tribal economic development.

Section 103. Gaming Policy

This Gaming Code is an exercise of the sovereign power of the Nation and shall be liberally construed for the accomplishment of its purpose and to comply with the Indian Gaming Regulatory Act and the Gaming Compact.
