**YAVAPAI-APACHE NATION**

**A Resolution Approving the Purchase of a Simulcast Repeater System and**  
**Installation of Digital Radios as Part of a Radio Communications Upgrade to Increase**  
**Emergency Response Capabilities**

- WHEREAS:** The Yavapai-Apache Tribal Council (“Council”) is authorized to represent the Yavapai-Apache Nation (“Nation”) and act on all matters that concern the health and welfare of the Nation, and to make decisions not inconsistent with or contrary to the Constitution of the Yavapai-Apache Nation (“Constitution”) as provided under Article V(a) of the Constitution; and
- WHEREAS:** The Council is authorized to manage all tribal economic affairs and to appropriate and regulate the use of the Nation’s funds as provided under Article V (i) and (k), respectively, of the Constitution; and
- WHEREAS:** On March 19, 2020, the Council adopted Council Resolution 60-20 declaring a State of Emergency due to the COVID-19 public health emergency; and
- WHEREAS:** On March 11, 2021, the American Rescue Plan Act (“ARPA”) was signed into law, Title XI, Section 11001 of which appropriates over \$6 billion to the Indian Health Service (IHS) for COVID-19 response activities; and
- WHEREAS:** The Nation has received a portion of these ARPA IHS funds in the amount of \$710,888.00 through Modification No. 28 to the Nation’s P.L. 93-638 contract with IHS; and
- WHEREAS:** The ARPA IHS funds are made available on a one-time, non-recurring basis and can be used within the parameters of the ARPA, including costs incurred to prevent, prepare for, and respond to COVID-19; and
- WHEREAS:** The Nation’s Medical Clinic Manager and Police Chief recommend upgrading the Nation’s radio communications infrastructure to increase the Nation’s emergency response capabilities, including response activities related to the COVID-19 public health emergency; and
- WHEREAS:** The Police Chief recommends the purchase of a Simulcast Repeater System from Niles Radio Communications for a total cost of \$103,654.65 in accordance with Work Order No. 20220069 (*attached to this Resolution as Exhibit A and incorporated herein by reference*); and
- WHEREAS:** Niles Radio Communications offers state contract pricing as the radio communications upgrade is part of a coordinated effort with the Camp Verde Marshall’s Office (CVMO); and

**WHEREAS:** To improve the quality of the radio communications, the Police Chief also recommends using Niles Radio Communications to remove the 11 existing analog radios in police vehicles and install the previously purchased digital radios for a total cost of \$2,640.00 in accordance with Work Order No. 20211558 (*attached to this Resolution as Exhibit B and incorporated herein by reference*); and

**WHEREAS:** The Council finds that the purchase of the Simulcast Repeater System and the installation of the digital radios in police vehicles as part of a radio communications upgrade will increase the Nation's emergency response capabilities, including response activities related to the COVID-19 public health emergency, and that funding for the purchase and installation is available to be paid from the ARPA IHS funds received by the Nation.

**NOW THEREFORE BE IT RESOLVED** that the Yavapai-Apache Tribal Council, in Council assembled, at which a quorum is present, hereby approves the purchase of a Simulcast Repeater System from Niles Radio Communications for a total cost of \$103,654.65 in accordance with Work Order No. 20220069 (*attached to this Resolution as Exhibit A*).

**BE IT FURTHER RESOLVED** that the Council also approves using Niles Radio Communications to remove the 11 existing analog radios in police vehicles and install the previously purchased digital radios for a total cost of \$2,640.00 in accordance with Work Order No. 20211558 (*attached to this Resolution as Exhibit B*).

**BE IT FURTHER RESOLVED** that ARPA IHS funds received by the Nation shall be used to fund said purchase and installation.

**BE IT FINALLY RESOLVED** that the Chairman, and Vice-Chairwoman, or either of them, are hereby authorized to take such further action as deemed necessary to carry out the intent and purposes of this Resolution.
