

Pre-Bid Meeting for the Construction of 38 New Homes

From: Sharie Benson – Tribal Housing Executive Director and Dave Schreiner – Project Manager

The Yavapai-Apache Nation Housing department will hold a meeting to discuss an upcoming construction project on Tuesday, October 1, 2024 at the Tunlii Community Building located at 1520 E. Cherry Creek Road in Camp Verde, AZ. The meeting will start promptly at 8:30 am.

The project will be funded through the Low Income Housing Tax Credit program and is expected to start vertical construction in March of 2025. Water & Sewer have an anticipated start date of December 1, 2024 with shallow utilities to immediately follow.

Interested parties should attend to learn about the scope and location of the project, bid and construction timeline, and the processes we follow when building homes.
