Yavapai Apache Tribal Housing Request for Proposal

9/18/24

15 Homes-Roofing

The Yavapai-Apache Nation Tribal Housing department is seeking bids for roof replacements at 15 homes that are scattered throughout the Nation's reservation areas. The areas include Camp Verde, Middle Verde, and Clarkdale.

This project will consist of removal and disposal of existing roofing, inspection of existing plywood (and replacement as inspector directs), and installation of new roof. Replacement will be new underlayment and asphalt shingles in a color that is as close to existing as is available, along with new drip edge where possible. Rain gutters are not part of this project.

Access to the homes can be arranged by calling Dave Schreiner at 970-989-5537.

Bids are due by 12:00 pm on 9/27/24. They can be dropped off at 1500 E. Cherry Creek Road in Camp Verde, AZ or emailed to both Sharie Benson (sbenson@yan-tribe.org) and Dave Schreiner (dschreiner@yan-tribe.org).

Please direct any questions to dschreiner@yan-tribe.org.

Thank you,
Dave Schreiner
