

YAVAPAI-APACHE NATION STUDENT CLOTHING ALLOWANCE PROGRAM POLICIES AND PROCEDURES

A. ESTABLISHMENT:

The Student Clothing Allowance Program (“Program”) was established in July 1996 within the Executive Department of the Yavapai-Apache Nation Tribal Government (the “Nation”).

B. PURPOSE:

The purpose of the Program is to assist students who are enrolled tribal members of the Yavapai-Apache Nation by providing a funding allowance for purchase of clothing and school supplies. The allowance is dependent on the availability of funds for the Program, as determined by the Tribal Council on an annual basis during the Nation’s annual budgeting process.

C. STUDENT QUALIFICATIONS:

In order to qualify for funding under the Student Clothing Allowance Program, the legal custodian of each student must file with the Program an application demonstrating that the student meets all of the following qualifications:

1. Proof of enrollment with the Nation as verified by the Enrollment Department of the Nation;
2. Students must be between the ages of 3 and 19 years of age **BEFORE JULY 1st** of each year; and
3. Proof that the student is registered and enrolled in school or an accredited homeschool program.

D. STUDENTS AWAITING TRIBAL ENROLLMENT/MEMBERSHIP:

In cases where the student is not yet a member of the Nation but has applied for membership, applications for the Student Clothing Allowance Program will be placed on hold and not processed until the Program receives proof of the student’s membership from the Yavapai-Apache Enrollment Department; including:

1. A copy of the Tribal Council Resolution approving the student’s membership in the Nation; or
2. Certification from the Enrollment Department that the student is a member of the Nation. The student’s parent or guardian is responsible for obtaining the required proof of membership from the Enrollment Department and providing it to the Program.

Students attending school prior to being enrolled as a member of the Nation shall not receive the Allowance prior to completion of the membership enrollment process.

E. ALLOWANCE AMOUNTS PER STUDENT AND ACCOUNTABILITY:

The clothing and school supply allowance is paid in the following amounts:

Revised June 5, 2014 by Resolution No. 104-14; July 25, 2019 by Resolution No. 126-19; November 21, 2019 by Resolution No. 224-19, February 6, 2025 by Resolution No. 36-25; and August 4, 2025 by Resolution No. 154-25.

1. Student(s) ages 3 through 9 receive \$300.00 in July (1st distribution) and \$250.00 in January (2nd distribution);
2. Student(s) ages 10 through 19 receive \$450.00 in July (1st distribution) and \$400.00 in January (2nd distribution).

The Student Clothing Allowance Program requires that all original receipts for clothing and school supplies be returned to the Program Coordinator within 30 calendar days following expenditures of all funds for allowable purchases by the parent or guardian who is the cardholder on behalf of the student. Failure to return all original receipts within 30 calendar days may cause a delay in the processing of future applications for the Student Clothing Allowance Program.

F. COMMERCIAL CREDIT CARD CHARGES:

The Allowance is provided to the students through the issuance to their parent or guardian of a commercial credit card credited with the amount of the Allowance. Any changes concerning the issued credit cards are governed by the following requirements:

1. Name change on the card: Any change to the cardholder name on the credit card must be made before the July and January disbursement dates of each school year. In order to change the cardholder name, the current cardholder must provide the Program Coordinator with a written statement authorizing the name change. The name of the new cardholder must be verified by the new cardholder before the next Student Clothing Allowance Program disbursement.
2. The name change process required by the bank requires that the appropriate information be submitted to the bank with enough time to ensure that the name change can be processed by the bank and allow the Program Coordinator to deliver the card to the cardholder by certified mail. This process requires a minimum of 10 business days.
3. Parents and guardians requesting to add additional students to the Program should complete the application process before the disbursement in July or January of each school year. All information concerning a student(s) must be completed before your application can be submitted to the bank to assure the proper amount per student and that there will be no confusion with the bank or the Program.

G. PROOF OF GUARDIANSHIP FOR A MINOR CHILD:

In all cases where a student is residing with a guardian or custodial parent, the Student Clothing Allowance Program requires documentation verifying the guardianship or other custodial arrangement before a disbursement can be made to the guardian. The guardian shall provide official documented proof of the guardianship or other arrangement as follows:

1. Court decree of divorce showing custody;
2. Court order of spousal separation showing custody;
3. Social Service Department verification of custody or guardianship;

4. Child Protective Service verification of custody or guardianship;
5. Court decree of adoption of a minor child with name change; or
6. In cases where a parent(s) is unable to care for a child and has given a Power of Attorney for the custody and care of the child to the child's grandparent(s); the grandparent must provide the Program with a copy of the Power of Attorney, which must be signed by the grandparent or the parent releasing custody of the child and it must be verified by a notary public.
