

Alcohol & Substance Abuse (A/SA) Needs Assessment Survey

Thank you for taking the time to participate in this Alcohol & Substance Abuse (A/SA) Program Needs Assessment.

The A/SA Program is seeking community input to improve understanding of alcohol and substance use concerns, awareness of available services, prevention and education priorities, and the community resources available to support individuals and families. Your responses will help the A/SA Program better understand community needs and support future planning.

- This survey should take approximately **7-10 minutes** to complete.
- Thank you for sharing your perspective and helping strengthen our community.
